SUBJECT: Interview of Nicholas Kolokithas (DOB (c) (c) (c)) and Karina Kolokithas (DOB (c) (c) (c)) at (f) (f) (f) RE: O'Keefe MV Homicide

Case: 2022-112-33

1. On January 29, 2022, at approximately 6:04AM Canton Police Department received a 911 call from a woman reporting a male party, John O'Keefe found in the snow at 34 Fairview Road. In the course of this investigation several individuals have been identified as having interacted with both the victim and suspect in the hours leading up to the homicide. Two of those individuals have been identified as Nicholas Kolokithas (DOB (c) (c) (c)) and Karina Kolokithas (DOB (c) (c) (c)), who reside at (f) (f) (f). On Thursday, March 3, 2022, Tpr. Proctor and I were able to meet with Nicholas and Karina for a prescheduled interview. The following is a summary of information requested and provided by the couple.

2. Upon our arrival, Nicholas and Karina invited Tpr. Proctor and me into their home, where we had formal introductions and thanked them both for their time. Both stated that they knew the victim, John O'Keefe for the last 5 to 6 years, since their daughter played basketball on the same team with John's niece and were also good friends. Over the last year and a half, since Karen and the victim began dating, Nicholas met Karen a handful of times, the first being at John's house while picking up their daughter. Karina stated that she met Karen once at the McCabe home and at some basketball games. Karina told us that the last time and only social setting that she spent with Karen was at the Waterfall Bar and Grill, the evening prior to the incident.

3. Nicholas told us that during that evening, John was happy about his niece being accepted to Bishop Feehan and shared the good news with his friends at the bar. Nicholas stated he arrived at the Waterfall at approximately 9:00 PM from the basketball game. With a lot of convincing by Nicholas, Karina joined the group at approximately 9:30 PM, and she was not drinking that evening. Karina recalled the following people she recognized being present at the bar, the McCabe's, Jen and Brian Albert as well as their daughter and boyfriend, also some of their other friends that Karina did not know or recognize. According to both Nicholas and Karina, John and Karen arrived at the Waterfall at approximately 11:00 PM. John was dressed in a baseball cap, long sleeve shirt and jeans. Karina recalled Karen being dressed in boots and a black jacket, and the couple came from across the street, where they spent time at CF McCarthy's. When asked, both Nicholas and Karina stated that there was nothing unusual about either of John's or Karen's behavior or demeanors that evening. Everything was normal and copasetic, without any arguing or fighting between anyone present.

4. Karina stated that when Karen arrived, the two had a very coherent and casual conversation. Karen was drinking vodka soda cocktails at Waterfall. Others in the group of friends were also buying drinks for everyone. At the end of the night, Karina recalls that everyone that was drinking took a Fireball Whiskey shot. Karen also did not want the party to stop even though the bar was closing down for thenight. Karen suggested and was pushing for the owner of D & E Pizza, Chris Albert to have everyone go across the street and keep partying while he makes pies for everyone. Karina followed up that statement by saying that Karen "pushed quite a bit." Again it was reiterated that there was no fighting or arguments between anyone that was present.

5. When it was time to leave, Karina told us Jen came over to her and while putting her arm around Karina said "You're coming with me." And the two walked out of Waterfall together. Karina went on to say that once outside, she observed John and Karen come out of Waterfall together and

proceed to the left out of the driveway, and up Washington Street towards Amber Road Café, which is where their vehicle was parked along the curb, facing back up the street towards Waterfall. Karina stated that she had her vehicle parked on Washington Street by the cleaners and it was facing down the street towards Karen's car and she last saw her walking towards the driver's seat door of her black Lexus SUV. With that said, Karina could not confirm who was driving the vehicle because she did not pay attention to John and Karen after this point in time, tending to her own actions inside her vehicle.

6. When asked, both Nicholas and Karina confirmed that neither John nor Karen had any visible injuries on their bodies or rips and damage to their clothing while in their presence. Karina once again told us how she spoke to Karen for an hour and she was wearing a black jacket, pants and was perfectly coherent. Karina stated that she did not have information about any relationship troubles that Karen or John might have had. Following up with, "She seemed fine to me that night." Karina then went on to say that Karen complained about John's mother to her and the lack of private time the couple has for vacations, because of the children, their activities and responsibilities. Without having any more information to provide, Tpr. Proctor and I thanked both Nicholas and Karina for their time and left the home.

Respectfully Submitted,
